NETWORK

“The 306 rallies have been so impactful for me. It has impacted me on how I’ve learned about God and I so appreciated the different perspectives and it really helped me grow in my faith.”

What We Know

Churches can often be siloed or isolated from one another. When we unite beyond our own buildings for the sake of a region, good things always come out of the collaboration with one another.

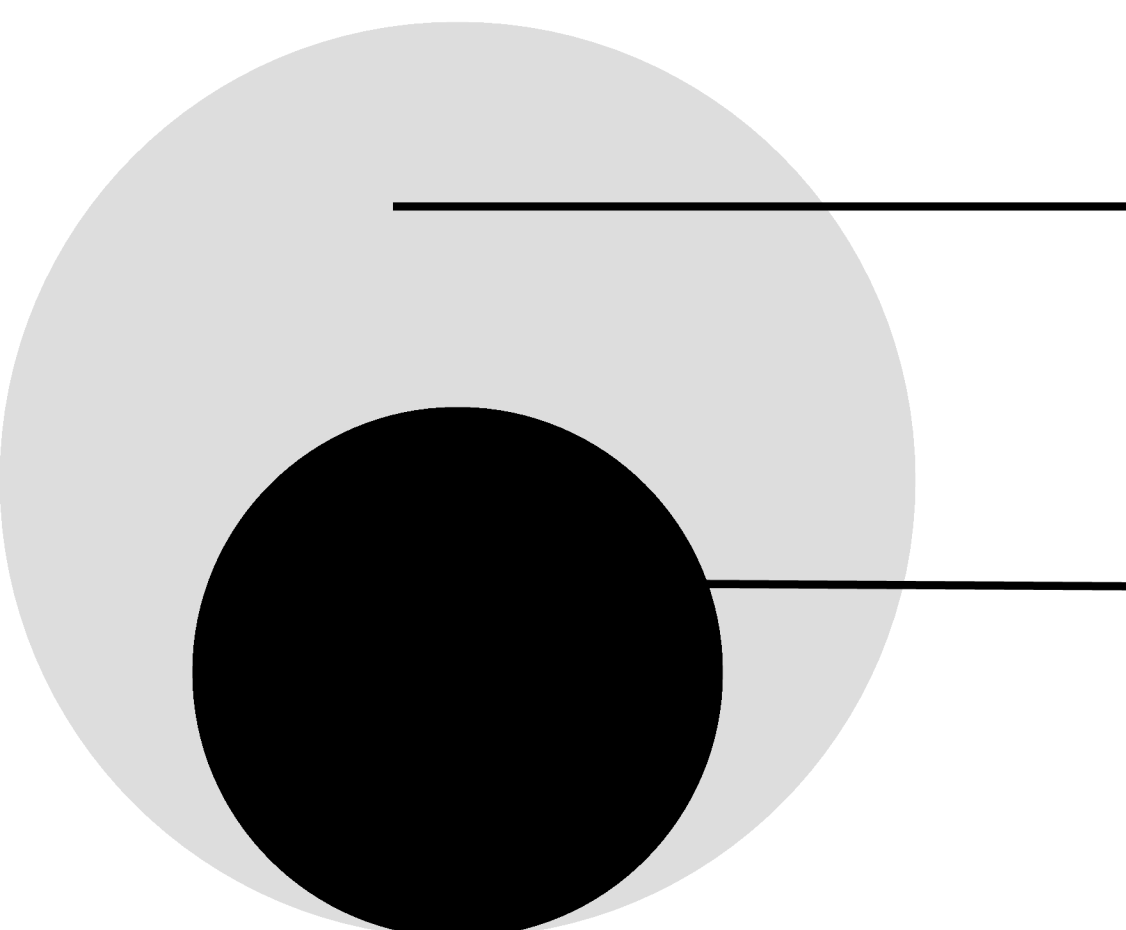

Who We Are

The 306 network is a movement of youth ministries across the Greater Saskatoon Area.

Our vision is to see these youth and youth workers unified under Jesus as Lord in our given region.

What We Do

We are engaging youth workers and rallying students to know and follow Jesus as Lord through **three rallies for students annually and monthly gatherings for youth workers.**

Monthly Gatherings

Monthly meetings for point youth workers to learn, connect, and find community.

Quarterly Rallies

Rallies where the youth of the 306 come together as one under Jesus. These take place:

- October
- January
- May

306 Network Rallies 2026-27

Because of our desire to unite the region, we hold our three rallies a year with no cost to the attendees. We aim, in these rallies, to unite our region, be Gospel-centred, equip students to share their faith in their local contexts, and move towards following Jesus together as a 'C' Church.

- This past year we had **2000+** attendees throughout all rallies
- These rallies happen three times a year on a Friday evening
- The 306 Network represented **62** churches last year
